

DAILY L COMBI

Modularity reaches its highest expression.

DAILY L COMBI

With the **DAILY L COMBI** you can configure the product menu offered according to user preferences. Would your customers like to enjoy their favourite beverages in XL version as well? The second cup kit makes this possible. And in combination with **VITALITY S**, the spiral vending machine for selling snacks, cans and bottles, the **DAILY L COMBI** becomes a Combi Hot & Snack solution, ideal for small and medium-sized areas.

- Touch user interface: monitor 10" with touchscreen technology able to play multimedia contents.
- Compatible to use a mug instead of a disposable cup (optional mug kit).
- Wide delivery area "push" for large products on **VITALITY S**.
